Ancillae-Assumpta Academy Science Fair

Instructions

- Each project should include: display board, science fair (black or blue) binder, logbook (red binder), and table display. The table display is an important part of your project and should be representative of your experiment.
- Display boards, binders, and table display should all be labeled with the student’s name. It is not necessary to remove student’s name from project materials.
- All typed material that is placed in the science fair binder should be final with all necessary revisions completed. Under no circumstances should material with teacher’s corrections be placed in the binder.
- No dangerous or potentially damaging materials can be part of the table display. For example, food, water, mold, bacteria, chemicals, cleaning materials, or drugs may not be present at your display. Your display may include clean, empty containers.

Friday, November 8, 2013: 6th, 7th, and 8th Grade Students

- All sixth and seventh grade students must bring projects to school and set them up in the gym before classes begin.
- All eighth grade students must bring in their table displays on Friday, 11/9.
- Students who are dropped off by car should unload in the child safe zone. Please note that there will be faculty there to assist children. CARS SHOULD NOT PARK TO UNLOAD.
- Each student will have a designated place in the gym according to his/her class.
- Students should carefully and completely set up their projects since it will not be possible to re-enter the gym once classes have begun.

Science Fair Exposition on Sunday, November 10, 2013

- This is the time for families to visit the science fair from 12:00 to 6:00 during the pasta dinner, family portraits, music recitals, and art exhibit.
- Students may begin to remove projects AFTER 5:00 on Sunday, 11/10. DO NOT REMOVE YOUR PROJECT EARLY AS VISITORS TO THE FAIR WOULD LIKE TO SEE AS MANY PROJECTS AS POSSIBLE!
- Students in 6R and 6W, please put your red binders in the marked boxes on the bleachers by the back door to the gym across from Ms Turzer’s office.

Monday, November 11, 2013

- All remaining projects must be removed from the gym and brought home at the end of the day if you are unable to take them home on Sunday.
